...goes charter on sailing vessel Joana

COME SAIL WITH US IN PARADISE

Many people have asked if I would take some crew or charter guests on Karl and I never really had the space nor time to do so. While my own sailing vessel Karl is patiently waiting for his new Beta 43 engine to arrive in Panama, I am using the time to help out Maria and Cathy with their **charter business** on **SV Joana** in the **beautiful San Blas Islands**.

Come and join us for an awesome **5 night charter in June 2017!** But first, let's give you a brief overview of the destination, the boat, dates & prices and how your vacation could possibly look like this year.

DREAM DESTINATION SAN BLAS

The San Blas Islands (Guna Yala), inhabited by the indigenous Kuna tribe, consist of more than 360 picturesque islands with white sandy beaches and palm trees swaying in the wind.

The territory of Guna Yala is geographically part of Panama's Caribbean east coast, but politically independent since 1924. The beautiful archipelago has a tranquil and peaceful vibe, which makes it one of many cruisers' favorite destinations.

Beautiful anchorages are plentiful and there is an abundance of underwater flora and fauna, that can easily be explored with mask and snorkle.

COMFORTABLE CABINS

YOUR VACATION ON JOANA

The activities & itinerary can be tailored according to your personal preferences.

We love to bring our guests to all the great snorkeling spots, show you how to fish or paddle board. We have numerous hammocks and will set up „hammock city“ on a deserted island for you so you can relax in the shade under a palm tree swinging in the breeze.

In the evening time, we can have drinks around a bonfire on the beach or even cook freshly caught fish on the fire.

More info and pics of Joana can be found on [Facebook](#) or [sailjoana.com](#)

THE KUNA EXPERIENCE

Most of the islands are uninhabited, some are populated with typical Kuna huts. You can watch the Kuna sailing / paddling between the islands in their dug out canoes called „ulus“.

Joana has been in the area for five years and has strong bonds with the local community. We can introduce you to some Kuna friends, visit their islands and experience their daily life.

You can book an optional jungle hike with a local Kuna, learning about their culture finishing with a refreshing bath under a waterfall.
